

COMMUNITY DESIGN REVIEW

September 21, 2023

Irishtown Bend Project Supporters:

Irishtown Bend Project Funders:

The Lennon Foundation

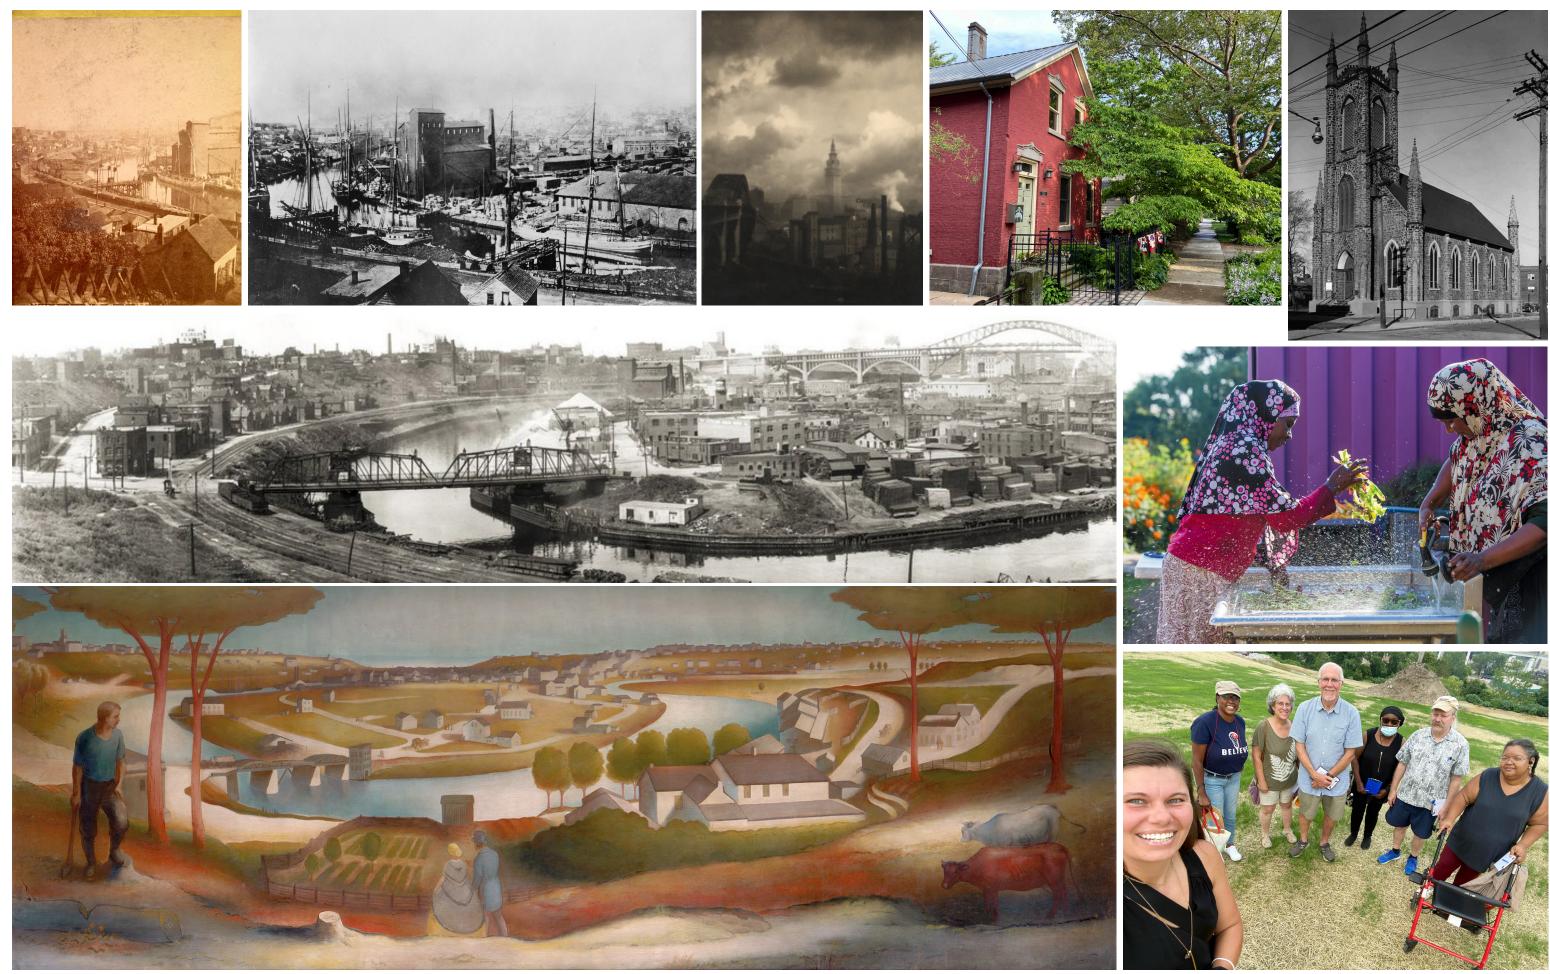

PROJECT SUMMARY:

LOCATION: WEST 25TH STREET BETWEEN FRANKLIN AVENUE & COLUMBUS AVENUE TO THE SOUTH; VETERANS MEMORIAL BRIDGE TO THE NORTH: AND THE CUYAHOGA RIVER TO THE EAST.

25 ACRES (EXCLUDING 25TH STREET & FRANKLIN R.O.W. IMPROVEMENTS & OHIO CITY FARM IMPROVEMENTS, WHICH **SCALE:** ARE BY OTHERS AND UNDER SEPARATE DESIGN REVIEW).

\$40M **INVESTMENT:**

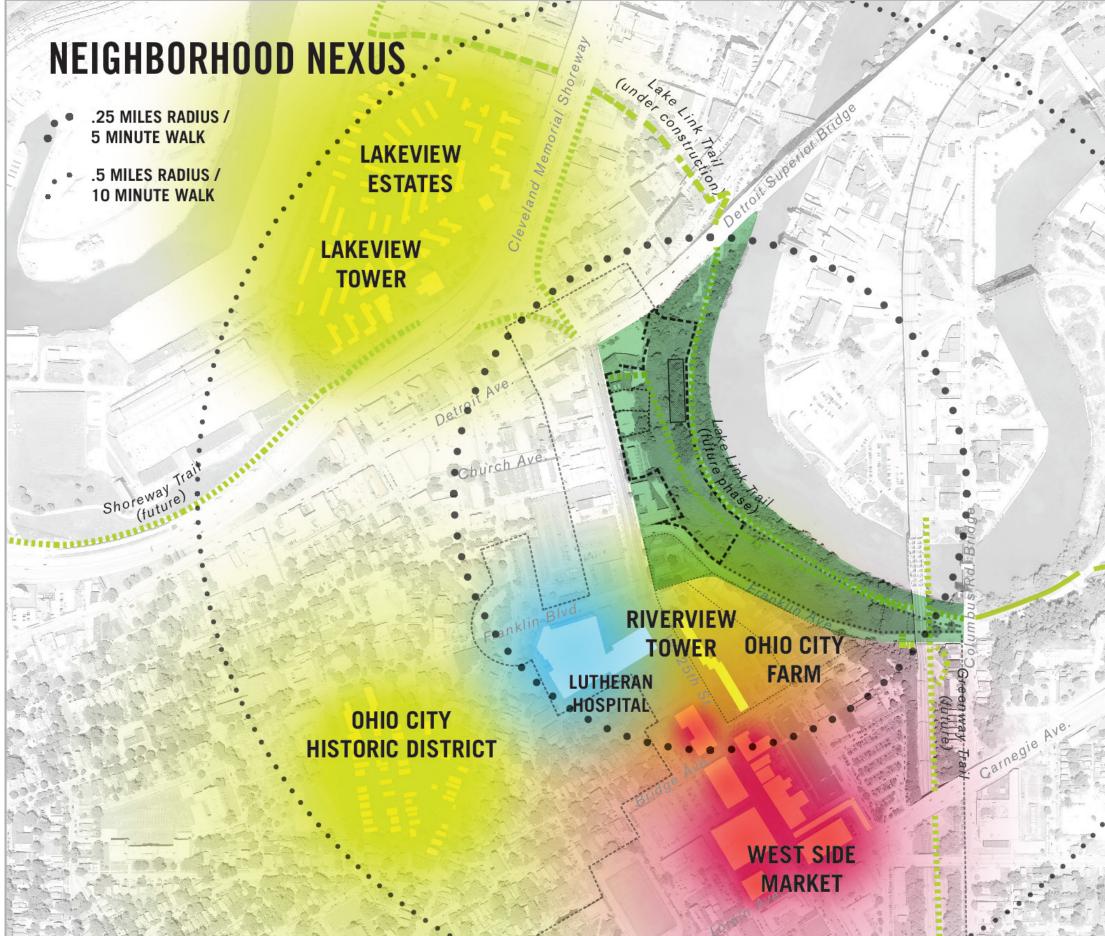

- WHILE NO PARKING WILL BE PROVIDED WITHIN THE PARK BOUNDARIES, THE DESIGN TEAM IS COORDINATING WITH **PARKING:** THE FRANKLIN AVENUE & WEST 25TH STREET REDESIGNS TO ADD STREET PARKING SPACES (APPROXIMATELY 17 & 25 RESPECTIVELY). IN ADDITION, THE DESIGN TEAM IS COORDINATING WITH THE CITY, CLEVELAND METROPARKS, & LUTHERAN HOSPITAL FOR USE OF THEIR EXISTING PARKING AREAS FOR PARK USERS. ALL OF WHICH ARE WITHIN A 5-10 MINUTE WALK TO THE PARK.
- **SUSTAINABILITY:** SUSTAINABLE FEATURES FOR THE PARK INCLUDE: "GREEN" BULKHEAD ALONG THE RIVER; ECOLOGICAL RESTORATION; FLOOD CONTROL & STORMWATER TREATMENT WETLANDS; CARBON SEQUESTRATION THROUGH A REFORESTATION PLAN; REDUCTION IN HEAT ISLAND EFFECT; CLIMATE CHANGE-ADAPTIVE PLANT SELECTION; AND LOCALLY-SOURCED MATERIALS.

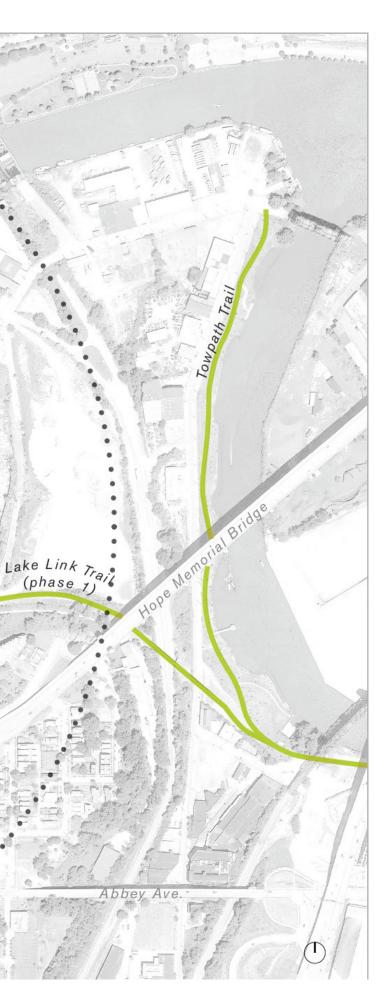

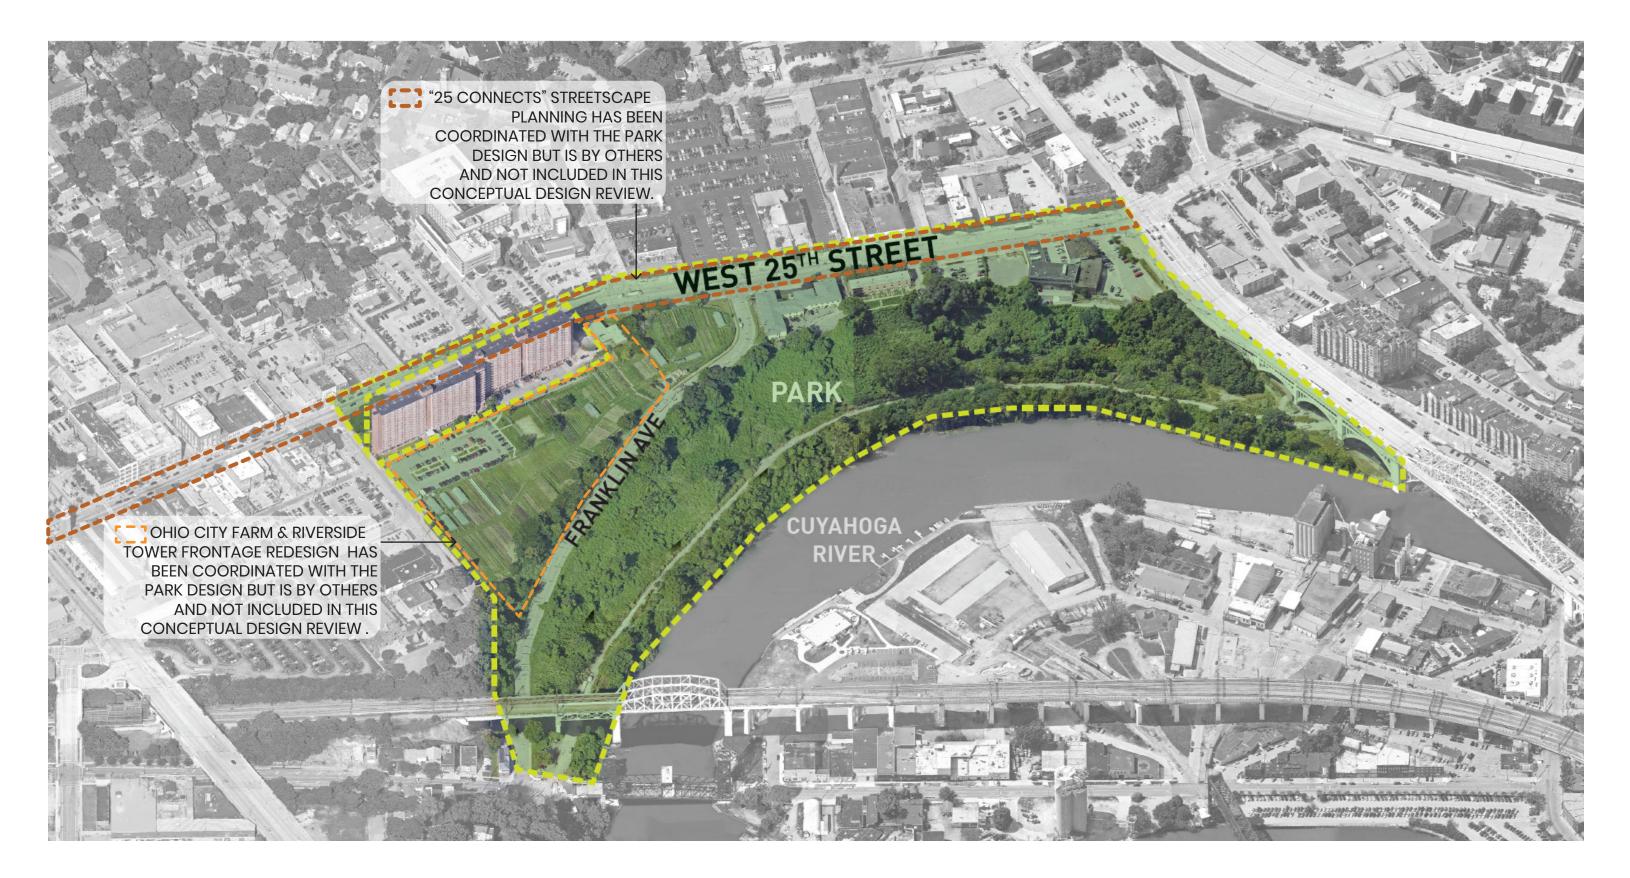

SITE LOCATION & CONTEXT PLAN

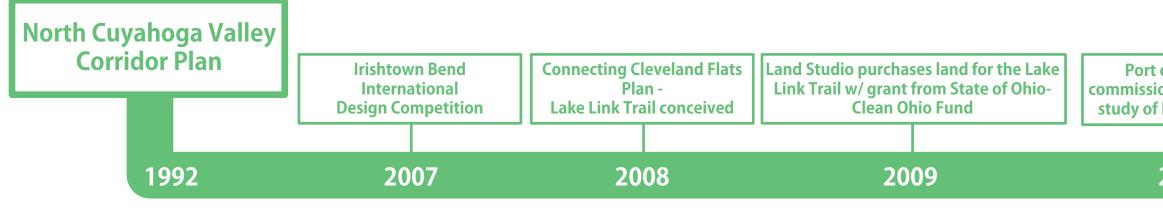

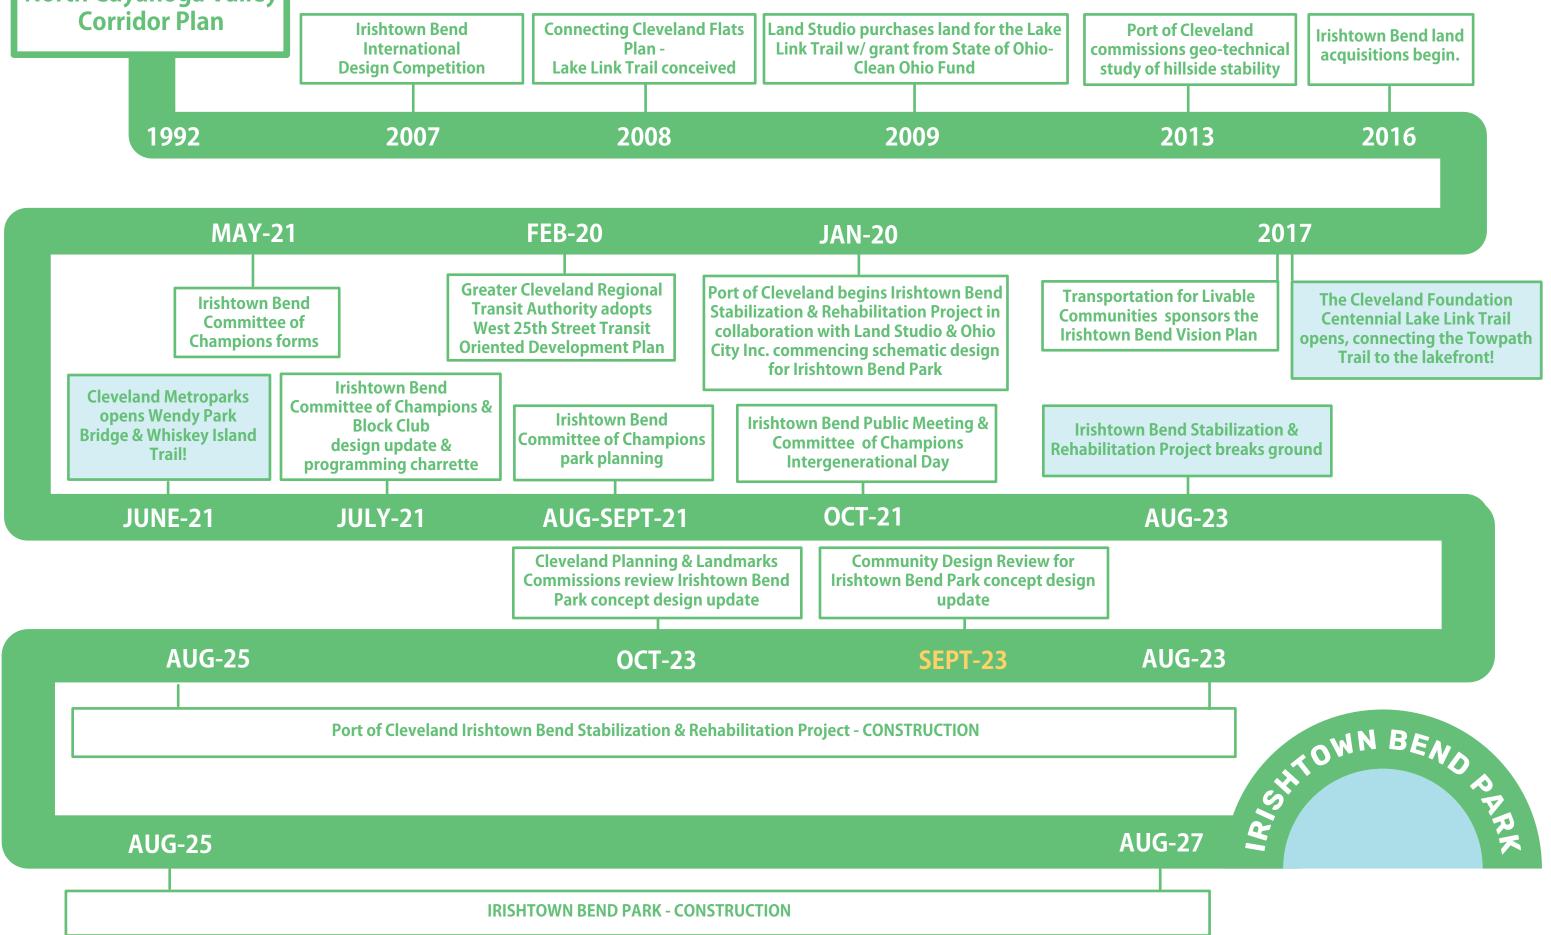

IRISHTOWN BEND PARK SITE BOUNDARY & EXISTING CONDITIONS PLAN

PREVIOUSLY APPROVED CONCEPT PLAN - 2017

Columbus Road Bridge

Port Sector big and growing

THE PORT-DEPENDENT SECTOR OF REGIONAL ECONOMY IS BIG:

22,000+

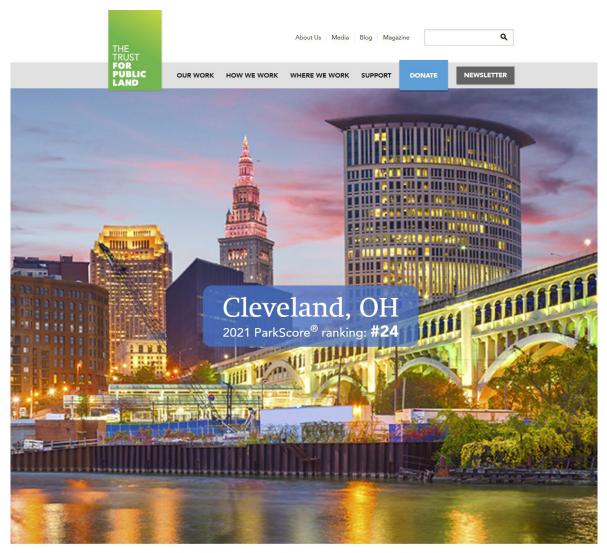

Jobs dependent or supported \$4.7B

Annual economic value to the region

\$1.8B

Annual total personal income Annual taxes paid to local and state government

\$240M

Our analysis is based on five characteristics of an effective park system: access, investment, acreage, amenities, and equity.

6% of Cleveland's city land is used for parks and recreation.

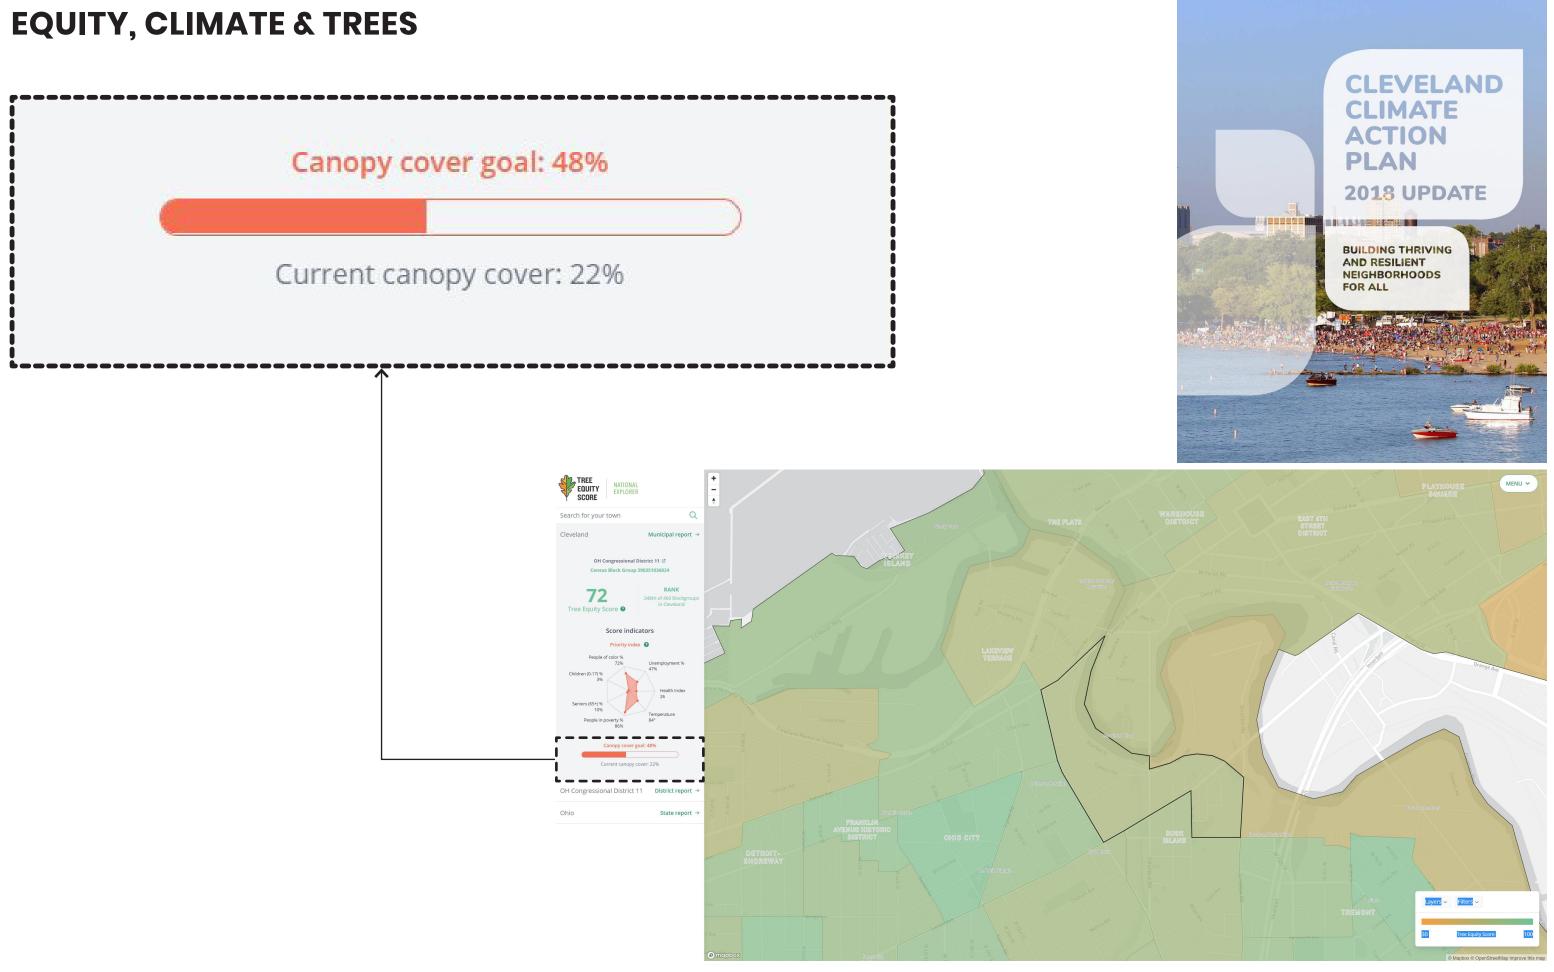

Steven Litt, The Plain Dealer

Lake Link Trail First Look

Roderic Benson, who lives at Lakeview Estates, was out on the new Lake Link Trail Tuesday before workers had a chance to stripe the 10-foot asphalt path. "It's easier to take your kids and dogs out here and you don't have to deal with traffic," he said.

3/26

CONNECTING CLEVELAND: 2020 CITYWIDE PLAN

GOAL: *Provide high-quality* recreation opportunities and facilities that meet the needs of Clevelanders of all ages, ability levels, incomes and interests

Policies

- valleys, including safe and convenient access from nearby neighborhoods for pedestrians and bicyclists.
- the lakefront and waterways.
- and the region.
- **5.** Serving Neighborhoods. Ensure that a wide range of recreation facilities are approximately 1/4-mile (a 5-minute walk) of all residents.

 - 7. Diverse Programming. Offer a diversity of recreation programs to serve the ability levels.
 - oriented principally to children and seniors.
 - profit organizations.
 - through "adopt-a-park" programs and corporate sponsorships.
 - community gardens in every neighborhood throughout the City.
 - features.

13. Urban Forest. Protect and expand the supply of street trees and landscaped areas within Cleveland's urbanized districts, maximizing environmental and aesthetic benefits.

I. Waterfront Access. Maximize public access to the lakefront, riverfront and stream

2. Waterfront Recreation. Develop and expand publicly accessible recreation sites along

3. Bikeways. Create a comprehensive network of bicycle routes, bicycle lanes and multi-purpose trails, safely linking neighborhoods to recreation sites, schools, shopping areas, places of employment and other destinations throughout the City

4. Bicycle and Pedestrian Amenities. Provide bicycle racks, benches, water fountains and other amenities to encourage bicycling and pedestrian travel throughout the City.

equitably distributed throughout the City, with playgrounds located within

6. Quality of Facilities. Provide recreation facilities competitive with the best available in the region, consolidating large-scale facilities at transit-accessible locations.

recreation needs and interests of Clevelanders of all ages, incomes, lifestyles and

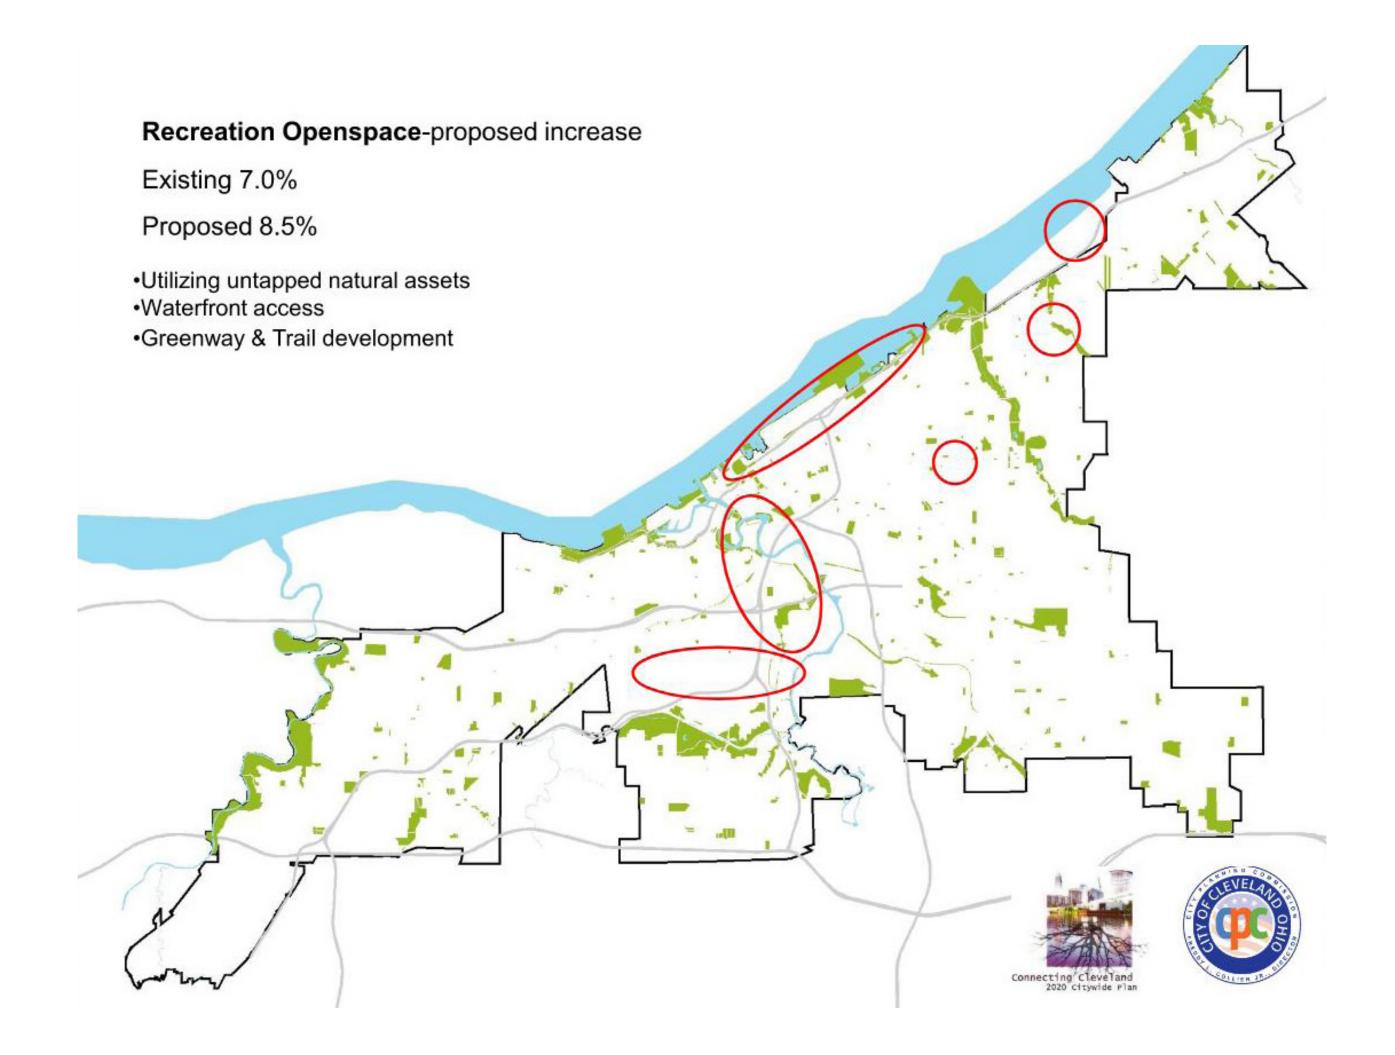

8. Serving Working Adults. Provide recreation services and equipment geared to the interests and schedules of working adults, supplementing recreation services

9. Sharing Resources. Increase the availability and quality of recreation services through shared use of facilities owned by the City, School District, YMCA and other non-

10. Sharing Responsibilities. Improve maintenance at public parks and recreation centers

II. Community Gardens. Reserve land for both temporary and permanent use as

12. Preserving Natural Areas. Identify and protect natural areas characterized by stream valleys, wetlands, hillsides, forests and other environmentally sensitive and valuable

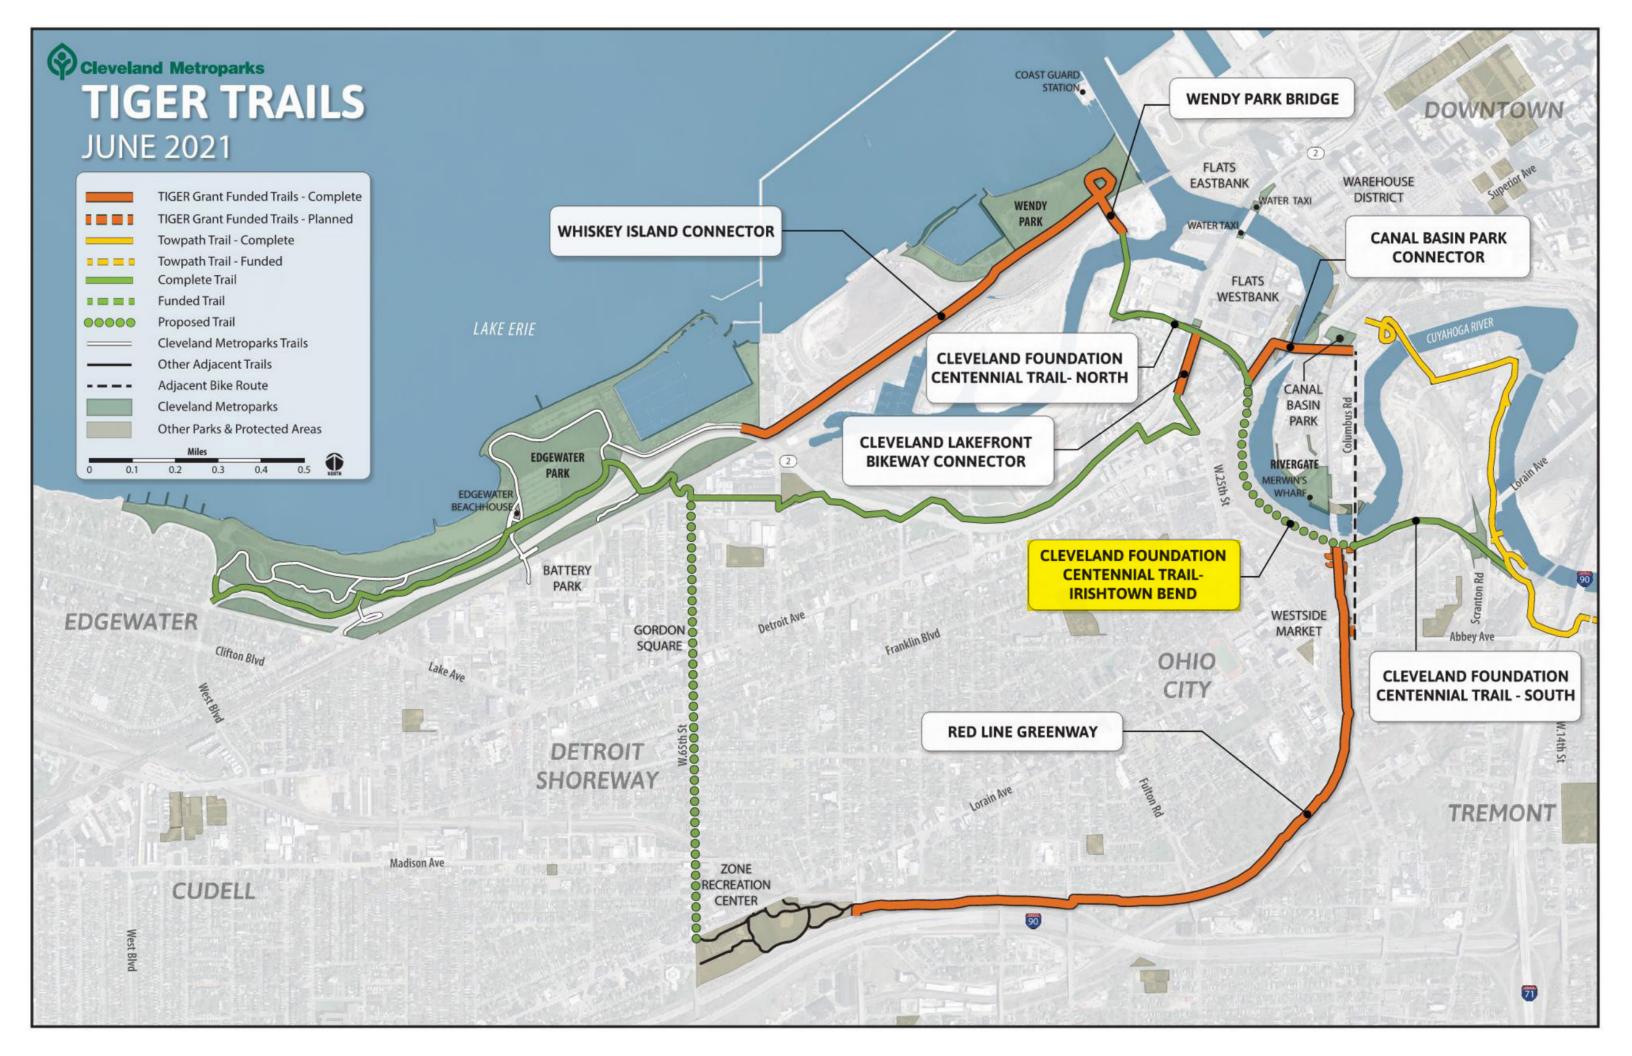

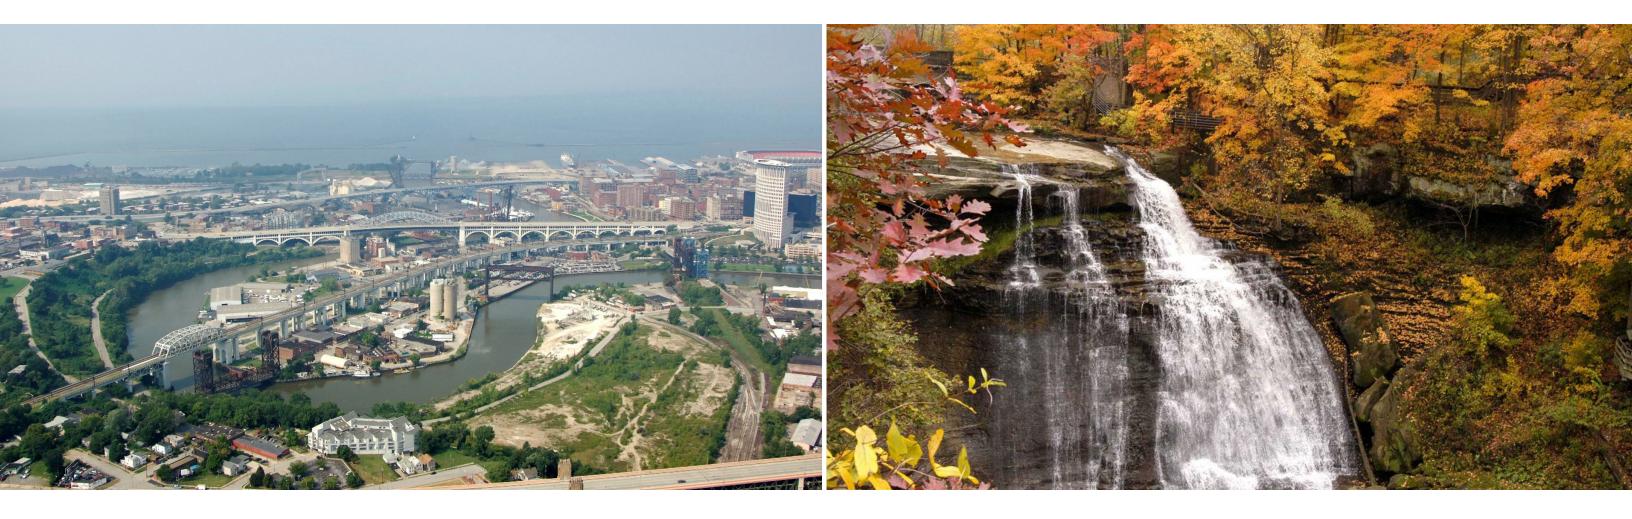

EQUITABLE ACCESS + COEXISTENCE
